Dear Mr. Johnson:

Thank you for allowing me to join in with my Kentucky General Assembly colleagues to celebrate the Kentucky Commission on Human Rights 50<sup>th</sup> Anniversary. During this Golden Anniversary, let us recognize the many sacrifices and contributions made to further the goals of this organization.

By increasing awareness and educating our citizens, we can greatly strengthen our fight against discrimination, intolerance, and hypocrisy. Our involvement will enable us to share in the responsibility, progress, and success of this institution, and I am grateful for that opportunity.

Best wishes for continued success!

Sincerely
